

AUS - HKG RATES ON SALE

06 - 20 November 2009

November 2009

Shipping to Hong Kong? Call Qantas Freight now for great rates.

From 06 – 20 November we have slashed our general cargo rates on Australian east coast passenger and freighter services to Hong Kong.

Super hot rates are available on all general consignments over 250 kilograms¹ from Sydney, Brisbane and Melbourne to Hong Kong and there are no restrictions on the amount you can ship or the service you can use.

Qantas Freight operates 22 wide body passenger services and a weekly B747-400 freighter between the east coast of Australia and Hong Kong with extensive aircraft and trucking connections available beyond Hong Kong.

Our schedule during the promotional period is as follows (all times are local):

| FLIGHT | SECTOR | DAY | DEPART | ARRIVE | AIRCRAFT |
|--------|---------|----------|--------|--------|-----------|
| QF0127 | SYD/HKG | Daily | 1200 | 1750 | B747-400 |
| QF0087 | SYD/HKG | 1.3.5.7 | 1455 | 2115 | A330-300 |
| QF0029 | MEL/HKG | Daily | 2355 | 0550+1 | B747-400 |
| QF0097 | BNE/HKG | .2.4.6.7 | 1105 | 1705 | A330-300 |
| QF7593 | SYD/HKG | ..3.... | 1340 | 2010 | B747-400F |

To access the promotional rate you will need to execute your air waybill during the promotional period (06 – 20 November)² and use the code **HKNOV09** in the 'accounting information' field.

Call now to book space on your preferred service.

1. Rates are available on general cargo only - no express, perishables, live animals, Dangerous Goods (DGs) or shipments requiring special handling
2. The effective date is based on the executed date on the air waybill.

For further information and for great rates to other destinations contact your local Qantas Freight sales representative or telephone the sales support team on 1300 FREIGHT (1300 373 444)
