

# Qantas Business Essentials

At Qantas, we believe it's essential for businesses to have access to online travel solutions that help control costs and manage travel effectively. That's why we've developed Qantas Business Essentials.

## Save on your business travel costs

- ▶ Discounted airfares on all Qantas flights when booked online through Qantas Business Essentials\*
- ▶ No joining fee
- ▶ Online booking tool with no booking fees
- ▶ Free quarterly reporting to manage and control costs^
- ▶ Expert assistance from a dedicated Qantas Corporate Sales Team

## Track and control your travel spend

Qantas Business Essentials Reports help you track your company's overall travel spend for up to 12 months; and provides detailed information on flights and other products booked each quarter such as Australian and New Zealand hotels and cars booked on [qantas.com](http://qantas.com) and flights booked at [jetstar.com](http://jetstar.com).

## Join Qantas Business Essentials today

All you need to do is nominate a business contact and complete the online registration form.

If eligible, your nominated contact will be sent an email containing your unique Qantas Business Number (QBN), which will allow you to start using Qantas Business Essentials for your company travel.

To join Qantas Business Essentials, visit  
[qantas.com/businessessentialsuk](http://qantas.com/businessessentialsuk)

\*Access to Qantas Business Essentials is based on your business' annual spend on Qantas, class of travel and destinations. Upon submitting your registration, your details will be assessed by our Corporate Sales team. Discounted fares are subject to availability and apply to itineraries featuring Qantas flight numbers only. Qantas Business Essentials is for travel departing mainland United Kingdom and excludes multi-city bookings. ^Reports will be displayed in the currency of booking and will be converted into Pounds Sterling where applicable. Reports will show flights booked through Qantas Business Essentials and flights booked at [Jetstar.com](http://Jetstar.com) where the QBN has been entered during the booking process: flights booked through a Qantas office (including [qantas.com](http://qantas.com) and telephone sales) where the QBN has subsequently been added to the booking via Manage Your Booking at [qantas.com](http://qantas.com); and car and hotel bookings made through [qantas.com](http://qantas.com) where the customer has entered their QBN during the booking process.
