E-mail:*	Free format. Must contain an @ and a .	Not entered  Incorrect data entered	You must enter an E-mail.  The E-mail is not valid. Ensure it contains an @ and a .
Accept terms and conditions:*	Tick box	Not selected	You must agree to the terms and conditions.
Subscribe to Red e-Mail from:	Tick box and 1 drop down list eg: NSW/ACT, NT, QLD, SA, TAS, VIC, WA,	Not selected	You must select a State to receive Red e-Mails.

The competition entry should be built so it fits within the screen of qantas.com.

Width – 760 pixels

Height – variable

If using flash - Flash version 9 should be used. Note: If built in flash an HTML version should also be created for the entry mechanism and a flash detector installed to default to the correct version.

Omniture code and path vars should be added as per standards – see separate documentation.

Entry form should consist of:

- Entry page
- Thank you page
- Error page if there is an error processing entry

Note: All other errors (eg missing or incorrect mandatory fields) should display on screen at one time with an error message displayed as per above and the field highlighted.

The Thank You page should have a clear next step – that is, once they have entered where should they go now?

Mandatory fields should be indicated with an asterisk after the colon eg, First Name:\* and the indicator \* = required field should appear top right of the page

Where the words terms and conditions appear they should be a link to the terms and conditions page.

Red e-Mail subscriptions should be automatically sent to eServices –see separate documentation.
